To Whom It May Concern,

It is my great pleasure to recommend Mr. Daniel-Elisei Roata, with whom I had the opportunity to work closely at Bujole Bistro, Cluj-Napoca, where I served as Executive Chef and Daniel worked as a Sous Chef in my kitchen brigade.

During the time we worked together, Daniel consistently demonstrated exceptional culinary skill, professionalism, and dedication to excellence. He carried out every responsibility entrusted to him with precision, reliability, and strong attention to detail.

Daniel possesses a highly creative and positive approach to cooking. He has a natural instinct for flavor balance, presentation, and innovation, while also respecting kitchen discipline and operational consistency.

Beyond his technical skills, Daniel is an excellent team player with strong leadership potential. He communicates effectively, supports his colleagues, and naturally earns the respect of those around him.

He is also empathetic, intelligent, composed, adaptable, and highly solution-oriented. His strong work ethic, emotional intelligence, and commitment to continuous improvement set him apart.

I firmly believe Daniel has all the qualities required to excel in any professional culinary environment and to grow into an outstanding leadership role within the hospitality industry.

I recommend him without hesitation and with my full professional confidence.

Please feel free to contact me should you require any additional information.

Sincerely,

Chef Robert Vass
